

Grille What a Wonderful...
What a wonderful world

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself
What a wonderful world

I see skies of blue and clouds of white
The bright blessed days, the dark sacred nights
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands, saying how do you do
They're really saying, I love you

I hear babies cry, I watch them grow
They'll learn much more
Than I'll ever know
And I think to myself
What a wonderful world
Yes, I think to myself
What a wonderful world
